

# EZ TILTER™

MTL & MST MOBILE TILTERS

**Bishamon®**

*Available in both straddle  
and non-straddle models*

Mobile tilters provide functional ergonomics and ease of access for your workforce. By bringing the work closer to the operator, mobile tilters improve material handling productivity, increase efficiency and reduce potential worker injury—adding profit to your bottom line.

Bishamon's MTL and MST Mobile Tilters are available in a wide choice of models including both straddle and non-straddle versions with 2000 lb. and 4000 lb. capacities.

All models feature infinite tilt adjustments and are available

with either AC or DC power units. Not only are they built SMART, they're built Bishamon TOUGH—for years of trouble free operation.

All EZ Tilters® are simple to operate, rugged and versatile. They allow improved container positioning with convenient height/angle adjustments. This, combined with the smallest reach over in the industry, provides improved operator access while reducing operator strain and fatigue. Better by design, EZ Tilters® are the solution to your work positioning needs.

Make Your Life Easier

EZ Tilter® Non-straddle Models MST 20 & 40

EZ Tilter® Straddle Models MST 20 & 40

Selector Table for MTL Series Mobile Tilters, Capacities 2,000 or 4,000 lbs.

Model	Capacity lbs.	Tilt Angle (degrees)	Fork Width (inches)	Between Forks (inches)	Fork Length (inches)	Overall Fork Spacing	Overall Width (inches)	Overall Length (inches)	Overall Height (inches)	Tilt Time Empty (seconds)	Shipping Weight (lbs)
MTL-20	2,000	88	6	13	40	25	31.56	61.30	38.81	12	550
MTL-40	4,000	88	7	16	40	30	35.56	61.30	39.79	20	635

Selector Table for MST Series Mobile Straddle Tilters, Capacities 2,000 or 4,000 lbs.

Model	Capacity lbs.	Tilt Angle (degrees)	Fork Width (inches)	Between Forks (inches)	Fork Length (inches)	Between Straddle	Overall Width (inches)	Overall Length (inches)	Overall Height (inches)	Tilt Time Empty (seconds)	Shipping Weight (lbs)
MST-20-38	2,000	88	6	13	40	38.25	47	61.30	39.79	12	688
MST-20-42	2,000	88	6	13	40	42.25	51	61.30	39.79	12	695
MST-20-50	2,000	88	6	13	40	50.25	59	61.30	39.79	12	711
MST-40-38	4,000	88	6	17	40	38.25	47	61.30	38.81	20	690
MST-40-42	4,000	88	6	17	40	42.25	51	61.30	38.81	20	708
MST-40-50	4,000	88	6	17	40	50.25	59	61.30	38.81	20	721

Note: Specify DC for 12v DC power unit with charger and battery or AC for 115v AC power unit.

## Standard Features

- Precision, heavy duty steel construction with quality welds
- Twin, heavy duty, hydraulic tilt cylinders
- Convenient push button controls
- Durable, corrosion-resistant, powder-coated finish
- Dual, step-on/step-off caster brakes
- MTL models offer durable polyurethane wheels (3.25" dia. load wheels and 6.00" dia. casters).
- MST models offer durable phenolic wheels (6.00" dia. load wheels and 6.00" dia. casters).

## AC Models Feature:

- Heavy duty, 1 HP, 115 volt power unit
- IEC motor contactor with thermal overload relay
- 24 VAC control circuit

## DC Models Feature:

- Built-in battery charger with timer
- Easy-access Battery Disconnect Switch
- Lowering solenoid with manual override (for lowering with discharged battery)
- Battery shield and battery post covers
- Fused motor and control circuits
