## **DACO RETURN POLICY**

**Prior to returning any product an RGA (Returned Goods Authorization) must be requested. Returns must be in like-new condition to receive full credit. Restocking charges may apply. In most instances the return freight shall be the responsibility of the customer.**

**Returns are accepted if Daco is notified within 10 business days from receipt of goods as outlined in the *Terms and Conditions* on the reverse side of our invoice as well as on our web site. Product must be shipped back within 5 working days after receiving an RGA number. Products shipped directly from the manufacturer are subject to the manufacturer's terms and conditions on returns. Custom orders are not returnable.**

**DACO will honor a customer's request to return product as often as possible.**
