

ATTACHED LID CONTAINERS

The proven balance of strength and versatility

The AC211509 and AC211512 attached lid containers are lighter-weight and lower-cost options from Buckhorn. These containers feature an improved lid design for added durability and larger ergonomic handles for easy lifting.

Buckhorn offers attached lid totes in many sizes and styles for shipping, picking and storing. Ideal for applications in distribution, grocery, retail, wholesale pharmaceutical and general manufacturing, the containers deliver long-lasting, cost-saving performance.

AC211512

Delivering Value Beyond the Box

- Improved “finger style” lid design adds strength and durability
- Larger ergonomic handles and a lighter-weight design support easy lifting
- Additional bottom corner strength for impact resistance
- Containers nest with lids open for maximum space usage
- Easy-to-clean interiors
- Injection-molded HDPE construction resists impact, moisture and most chemicals
- Use with temperatures of -20° to 120° F
- Large textured area on one end for labels, which eliminates need for placards
- Other customization and identification options available
- Available with an open or solid textured bottom
- Optional drain holes available on version with solid textured bottom
- Backed by a one-year limited warranty
- 100% recyclable
