

32" X 30" BULK BOX

The proven balance of strength and versatility

Buckhorn's BN3230 industry standard bulk box is part of a broad line of products designed for a variety of manufacturing applications. The 32" x 30" boxes, in particular, work well with small heavy parts. Available with or without drop doors in 25" and 34" heights, it is rated for load capacities up to 1,800 lbs. The BN3230 provides cost-conscious users with a high performance solution and the best value for their money.

Delivering Value Beyond the Box

- 1,800-lb. capacity
- Available in 25" or 34" heights
- Features non-sequential folding
- Replaceable runners
- Drop-down doors do not block fork tunnels when open
- Recessed ID tag areas on all four sides of the base
- Flat decoration areas on the panels and doors for labels, cardholders or RFID tracking
- Direct application of decorations to the container saves time and money
- Reduced collapse height for a better return ratio
- Offers a 2.6:1 return ratio—480 collapsed containers fit in a 53' trailer
- Easy to repair—no special tools required
- 100% recyclable
