

PRODUCT SPOTLIGHT

Adaptable Pallet and Storage System®

FAST LOCK

Solve Your Storage Needs.

Fast Lock allows you to customize your storage space in seconds. Its patented interlocking design allows true flexibility in building the exact size pallet or platform you need. Using 12" x 40" units that lock together, making this an all purpose storage, moving, and shipping solution.

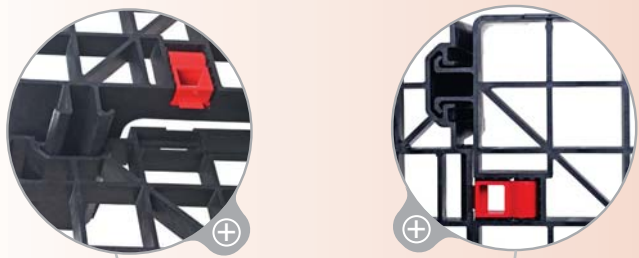

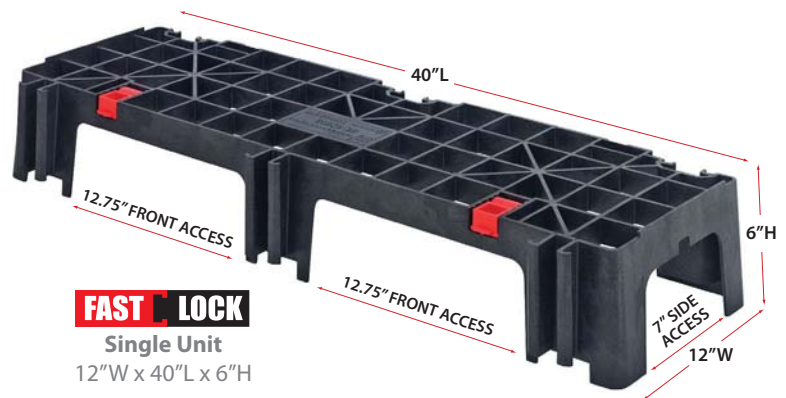

- 100% recycled high density polyethylene
- Vented deck is freezer safe, chemical resistant and easily cleanable
- One piece body design allows for 4 way forklift and hand truck entry
- Meets GMA industry standards
- Withstands temperatures from -30° F to 200° F
- Holds up to 2,500 lb distributed load (4 units or more assembled)
- Will maintain its dimensions with no sagging or stretching
- Will not absorb any liquids or chemicals and is resistant to insect infestation

Perfect for use in hospitals, laboratories, pharmacies, sterile environments, food and beverage areas, manufacturing environments, supermarket and grocery store back rooms.
