WHStandard2748 Standard Pallet Jack

SPECIFICATIONS:

Load Capacity: 5,500 lbs.
Fork Length / Width: 48"
Fork Width: 6.5"
Overall Fork Width: 27"
Lowered Fork Height: 2.9"
Raised Fork Height: 7.5"
Wheels/Rollers: Polyurethane
Weight: 155

The **WORKHORSE™ Standard Pallet Jack** provides strength and dependability without having to pay premium pallet truck prices. With features like a quality German pump design; formed channel steel, heavy duty frame; and reinforced handle with 200 degree pivot action; it gets the job done.

Pallet truck features robotic welds throughout.

WHPremium2748 Grease Fitting Pallet Jack

SPECIFICATIONS:

Load Capacity: 5,500 lbs.
Fork Length / Width: 48"
Fork Width: 6.5"
Overall Fork Width: 27"
Lowered Fork Height: 2.9"
Raised Fork Height: 7.8"
Wheels/Rollers: Polyurethane
Weight: 160

The **WORKHORSE™ Premium Pallet Jack** provides reliability and durability without breaking the bank. With features like a quality rebuildable German pump design with large reservoir; steel reinforced forks, header and bulkhead; and reinforced handle with 210 degree pivot action; you can count on it to get the job done.

Pallet truck features robotic welds throughout and grease fittings on all movable parts for easy maintenance.

WHGalvanized2748 Galvanized Pallet Jack

SPECIFICATIONS:

Load Capacity: 5,500 lbs.
Fork Length / Width: 48" / 36"
Fork Width: 6.5"
Overall Fork Width: 27" / 20.536"
Lowered Fork Height: 2.9"
Raised Fork Height: 7.8"
Wheels/Rollers: Nylon
Weight: 160

The **WORKHORSE™ Galvanized Pallet Jack** is a reliable and durable option when your dealing with sanitary, cold or wet environments. It features 100% galvanized German pump design, handle, frame and components with 210 degree pivot action; that you can count on in challenging environments.

Ideal for use in applications including clean-room or cold-room environments, corrosive chemical environments, freezers or coolers with temperatures down to -10 degrees F, requires frequent wash down, and food environments.

Pallet truck features robotic welds throughout and grease fittings on all movable parts for easy maintenance.

WHStainless2748 Stainless Steel Pallet Jack

SPECIFICATIONS:

Load Capacity: 5,500 lbs.
Fork Length: 48"
Fork Width: 6.5"
Overall Fork Width: 27"
Lowered Fork Height: 2.9"
Raised Fork Height: 7.8"
Wheels/Rollers: Nylon
Weight: 170

For the ultimate in Corrosion Resistance, there is the **WORKHORSE™ Stainless Steel Pallet Jack**. This truck features 100% Stainless Steel Pump, Handle, Frame and components construction, and nylon wheels and rollers offering maximum corrosion resistance in chemical, wet or cold applications.

Providing durability, dependability, and low maintenance this unit is perfectly suited for Chemical Manufacturers, Pharmaceutical Companies, Food Manufacturers and Fisheries.

Grease fittings and bushing at all major pivot and contact points for easy maintenance.
