

# INTREPID™ 48" x 40" BULK BOX

## Reduce Cardboard in Your Operations

Corrugated combo bins are prone to a variety of problems including leakage, shifting off the pallet during transport, debris and dust, and limited one-time use. Buckhorn's Intrepid 48" x 40" specialty bulk box solves these problems and more. It is the perfect addition to our extensive offering for the food and distribution markets. It's designed for a variety of industries including liquid, semi-liquid, powder, granular and food applications.

BZ4840461V

*Now available with drop-door and bottom discharge configurations*

- Heavy duty design – up to 2,500 lb. (40.5 cu. ft.) capacity
- 48" x 40" x 46" size equivalent to standard cardboard boxes
- Uses include temporary storage, work in process, incoming ingredients, and outbound shipments
- Injection molded design prevents leakage
- Drop-door provides better access to contents and improves ergonomics when installing a disposable liner.
- Collapsible panels are attached to the base eliminating shifting during transport
- Constructed of FDA approved polypropylene
- No splinters, nails and dust
- Secure stacking with or without optional lid
- Non-sequential folding panels assemble and collapse in seconds saving space in storage and transport
- Offers a 3.3:1 return ratio – up to 240 collapsed containers fit in a 53' trailer
- Easy to repair – no special tools or fasteners required
- 100% recyclable
