

WORK BENCHES & ACCESSORIES

DURABLE, CONFIGURABLE BENCHES BUILT FOR DEMANDING SHOP ENVIRONMENTS.

Our work benches provide a stable, long-lasting foundation for technicians, assemblers, and distribution operators. With heavy-gauge steel construction, multiple sizes, and a full range of top materials, these benches can be tailored to fit virtually any workspace.

WHY THESE BENCHES STAND OUT

- Heavy-duty steel legs adjust 30 ¾"–36 ¾"
- Smooth, bolt-free top surface
- Multiple bench series to match strength and budget needs
- Modular design allows reconfiguration as your workflow changes
- Compatible with a wide range of accessories

Whether you're outfitting an automotive bay, a distribution line, or an industrial assembly area, Borroughs benches deliver the reliability and flexibility needed for day-to-day operations.

TOP SURFACE OPTIONS

Choose a surface designed for your specific work:

- **Hard Wood:** Classic, smooth, durable for precision tasks
- **Painted Steel:** Steel strength with a work-friendly top
- **Stainless Steel:** Best for liquids, chemicals, teardown, and sanitation (12 Gauge)

Each top is built for durability and long-term performance.

BENCH MODELS & SIZES

Available in widths of 48", 60", and 72", with depths of 28" or 34".

THE BORROUGHS ADVANTAGE

- American-made steel
- Designs that evolve with your shop
- Seven powder coat colors
- Built for continuous, daily use
- Proven longevity in demanding environments

YOUR TURNKEY STORAGE PARTNER

Forget the hassle. We handle everything from start to finish: design, delivery, installation, and beyond. We don't just sell shelving, we create order in chaos. So you can focus on your customers, not finding parts.

ACCESSORIES THAT ELEVATE PERFORMANCE

SHELVES & GUARDS

- **Bottom Shelf:** Heavy-gauge steel storage for tools and bulk items
- **Back Guard:** Prevents parts from falling behind the bench
- **End Guards:** Keeps tools and components on the work surface
- **Ledge/Top Shelf:** Adds above-surface storage for equipment, bins, or manuals

CANTILEVERED FRAME SYSTEM

Add vertical storage and lighting support with our cantilevered frame:

- Perforated panels for tools and bins
- Backstop to prevent items from falling
- Supports most shop lights
- Built-in grommets for clean cord management

Perfect for technicians who need tools and equipment within arm's reach.

BEST-FIT APPLICATIONS

Automotive
Tech bays, diagnostic stations, parts prep, electrical repair

Distribution
Packing lines, returns processing, assembly prep

Industrial
Fabrication, assembly, test benches, maintenance areas

MOBILITY & SUPPORT OPTIONS

- **Portable Kit:** Four casters (two locking) for full mobility
- **Stringer:** Adds rigidity and serves as a shelf backstop
- **Leveling Screws:** Keep benches stable on uneven floors

These options allow your bench to move with your workflow.

TIER DRAWERS

- Available in single or double-drawer configurations
- 110% extension slides for full access
- 100 lb capacity per drawer
- Non-slip liners included
- Mount beneath wood or steel tops

Ideal for fasteners, adapters, small parts, and frequently used tools.
